

What to Expect During Your JobFit Session

Your JobFit Assistant will guide you through every step of your application — from analyzing the opportunity to delivering a complete, polished package ready to use to apply.

Get Your Assistant Back on Track

If your JobFit Assistant pauses, type "Continue".

If it goes it's own way, say "Follow the config"

01

Understand the Opportunity

- Company and position overview
- Role summary
- JobFit Analysis comparing your resume to the job description
- Your initial JobFit and keyword match scores

02

Strengthen Your Resume

- Answer a few targeted questions
- Review suggested improvements
- Approve any resume updates before they're applied
- Receive a summary of approved changes

03

Prepare for Interviews

- Recruiter perspective
- Hiring manager perspective
- Professional positioning
- Personalized interview guide, STAR stories, and interview questions

04

Receive Your Application Package

- Final resume
- Resume improvement summary
- Cover letter
- ATS keyword summary
- LinkedIn networking messages
- Final JobFit Analysis

05

Ready to Apply

You're fully equipped with a polished resume, interview toolkit, and complete application package — ready to land the role.
